Horizon 2020 Evaluation criteria

S&T
Excellence

Impact

Implementation

Evaluation criteria

Research and Innovation Actions/Innovation Actions/ SME instrument

Implementation

- Quality and effectiveness of the work plan, including extent to which the resources assigned to work packages are in line with their objectives and deliverables;
- Appropriateness of the management structures and procedures, including risk and innovation management;
- Complementarity of the participants and extent to which the consortium as whole brings together the necessary expertise;
- Appropriateness of the allocation of tasks, ensuring that all participants have a valid role and adequate resources in the project to fulfil that role.

- The more the merrier
- Only large organisations and universities can be partners
- You have to include a partner from a small Eastern European country
- You need a particular type of partner
- People will always steal your intellectual property

Consortium

- Clearly demonstrate the necessary expertise to develop each project task
- Each field of knowledge should be covered
- Include detailed information on all partners involved
- Try a balance between partners with experts in ICT and SSH
- Do not include decorative partners
- Work with people you know

Proposals need

- Architects
- Process leaders
- Critics
- Bean counters
- Writers (the art of writing)
- Project plan designer

How to find partners?

How consortia are formed?

- Ensure that foreign colleagues can contact you:
 - develop your profile
 - Internet homepage
- Information Days, Brokerage Events, etc.
- Web-based partner search tools

- Previous collaborations
- Other consortium members
- Third parties
- At meetings
- Other

Partner search

- <https://cordis.europa.eu/partners/web/guest>
- <http://www.security-research-map.eu/>
- **Check out past EU projects in the domain of your targeted call**
- **Social media**

**Do not tell me that you are
fantastic and unique, tell me what
it is specifically that is fantastic
and unique.**

Winning proposals

- Original or creative project ideas
- Well articulated (measurable) objectives
- ***A well-matched partnership***
- Impacts stated in call are fully addressed
- ***Evidence of a strategy to move knowledge beyond the research community***
- The implementation plan is mature
- The proposal is reasonably priced
